Exporting Session Data to ReggieNet (Gradebook)

1. In the TurningPoint Cloud software, click on the Manage tab

2. Select a Course List (not a session) and then click on Upload Grades (highlighted below)

9. Check the session(s) you'd like to export to your ReggieNet gradebook

10. Click Export and click okay on any following windows (unregistered students, usually)

In ReggieNet, your session data should now be at the end of your gradebook as Uncategorized
