ReggieNet: Drop Box

Video - [ReggieNet: Drop Box](#)

The **Drop Box** tool functions very much like the **Resources** tool; the difference is it sets up a folder for each user in the course. Users can view and add files to their own folder; instructors can view and add files to anyone's folder.

Title	Access	Created By	Modified	Size
CTLT 402 08 Bristow Drop Box				
Bristow, Charles (cebrist)	Dropbox	Charles Bristow	Oct 30, 2018 1:41 pm	0 items
zzStudent4, zzDemo4 (zzstu4)	Dropbox	Charles Bristow	Oct 30, 2018 1:41 pm	0 items
zzStudent5, zzDemo5 (zzstu5)	Dropbox	Charles Bristow	Oct 30, 2018 1:41 pm	0 items

The Drop Box mirrors the file management features and functionality of the **Resources** tool. See *ReggieNet: Resources* for more information on how to add, upload, edit, and delete files and folders within Drop Box.
