Agenda for Video (Ad)Vantage: Taping in the Classroom

1. Introduction of Facilitator and why there:
Video camera will be placed at side of classroom
2. Taping will run 45-60 minutes:
Focus primarily on the Instructor but occasionally scanning the classroom--
Facilitator will be recording notes the last half of class
3. Appointment for follow-up viewing and reflection within 48 hours following class:
Instructor will reflect with Facilitator on partial tape, up to an hour discussion—
copy of tape made for Instructor upon request
