Easier Navigation

- Drop-down menus for each course in the Favorite area.
- Editable tool navigation
- Streamlined settings in the Tests & Quizzes tool

Added Features

- One button publishing option
- Group Work – joinable set and group assignment option
- Drag & Drop, zip archiving and site page features in the Resources tool
- Event Logs and better management of Question Pools in the Tests & Quizzes tool

Mobile Friendly

- Mobile view allows instructors and students to navigate ReggieNet more efficiently from their mobile devices.

- The Resources tool and attachment function in other tools can be integrated with cloud services such as Dropbox and OneDrive for easy file uploading.

Note: Students are still discouraged from taking tests on their mobile devices because the data is sometimes handled incorrectly from some devices.

Reflecting on the Past
